TECHNICAL SKILLS

Languages: JavaScript, Python, HTML, CSS

Frontend: React (Vite), Tailwind CSS, TanStack Query, React Router

Backend: FastAPI, Node.js

Database: MongoDB, PostgreSQL (Prisma/Neon)

Tools: Git, Postman, Cloudinary, Render, Vercel

Concepts: REST APIs, JWT Auth, OAuth2, CORS, Pydantic/Zod, MongoDB Aggregation, DSA

PROJECTS

1. Snip.ly — URL Shortener with Click Analytics

Stack: React · FastAPI · MongoDB Atlas · TanStack Query · Vercel · Render

- Built custom-alias URL shortening with Pydantic validation and duplicate-alias prevention.
- Implemented JWT authentication, refresh-token flow, HTTPBearer, and OTP email verification.
- Developed click analytics with geo-tracking, user-agent parsing, time-series data, and MongoDB aggregation.
- Integrated TanStack Query, Axios authorization interceptors, Recharts, and deployed frontend/backend on Vercel/Render.

2. Electronics Store — E-commerce Platform

Stack: React · FastAPI · MongoDB

- Built infinite-scroll product browsing with IntersectionObserver and responsive UI components.
- Implemented filtering by price, category, and sale price using MongoDB queries and a dynamic category system.
- Developed admin panel with stats, order-management tables, edit modals, and user dashboard with lazy repositories.

3. Kinetic Market — Multi-Vendor E-commerce Platform

Stack: React · FastAPI · MongoDB · Cloudinary

- Designed multi-vendor architecture using Route → Controller → Service → Repository layers.
- Integrated Google and GitHub OAuth2 login using the authorization-code flow.
- Integrated Cloudinary for scalable product/media uploads and built modular vendor/product management features.

4. Shoes Platform — E-commerce Store

Stack: React · Node.js · Prisma · PostgreSQL (Neon)

- Developed a full shoe e-commerce platform with product listings, cart, and checkout flow.
- Migrated the database from SQLite to PostgreSQL (Neon) with Prisma for production deployment.
- Deployed the application using Vercel and Render with a cloud PostgreSQL database.

EDUCATION

Diploma in Computer Science & Technology

Durgapur Institute of Polytechnic, West Bengal | July 2025 | CGPA: 7.53 / 10
